Laurent Bonneval

"Laurent is an engaging educator who was absolutely wonderful with my kids. Filled with so much knowledge, he made our time at the Louvre so enriching for the whole family. A few days after the tour, our kids still remembered things they had learned from Laurent. ...I highly recommend Laurent for this tour!"

Marie Theres Berger

"Marie Therese was just wonderful. We learned so much in one day and she was brilliant with our teenager and 10 year old. They had a great time talking to her all day. She felt like part of the family"

- from Elina

Pablo Jesus Vazquez Gestal

"Pablo V-G. is INCREDIBLE! ...He has so much enthusiasm and taught us so much about a topic that we did not appreciate before the walk. He asked great questions and made us think throughout the tour. Pablo is amazing!"
